

Material Safety Data Sheet

Date of Issue: 20/03/08

Supersedes: All Previous

1. Identification of Preparation and Company

Product Ce-lit Radiator Leak Sealant

Company Granville Oil & Chemicals Limited
29 Goldthorpe Industrial Estate
Goldthorpe
Rotherham
S Yorkshire
S63 9BL
Tel (+44) 01709 890099
Fax (+44) 01709 891121

2. Composition & Information on Ingredients

2.1 Product Description Crushed linseed

3. Hazards Identification

Product does not contain any material which are classed as hazardous

4. First Aid Measures

Inhalation Unlikely to be a hazard

8. Exposure Controls / Personal Protection

Respiratory Protection Not normally required

Hand Protection For prolonged or repeated contact wear gloves.

Eye Protection Wear safety glasses or goggles.

Ingestion Low order of toxicity.

9. Physical and Chemical Properties

Appearance: Brown solid powder

Odour: Slight

SG: N/M

Solubility (water): immiscible

10. Stability and Reactivity

Product is stable under most conditions.

Hazardous reactions: Avoid strong oxidising agents.

Hazardous decomposition reactions: No significant reactions.

11 Toxicological Information

Inhalation: Unlikely to be hazardous by inhalation.

Skin Contact: Repeated or prolonged contact may cause irritation.

Eye Contact: May cause irritation.

The information contained in this leaflet is provided to enable the user to assess the product and should not be taken as a specification. All information provided is given good faith we can however not assume liability. It is up to the user to ensure that the information and the product is suitable for use intended.

Ingestion Unlikely to be hazardous.

12 Ecological Information

No information available.

13 Disposal Considerations

Dispose at land dump in accordance with local, state or national legislation.

14 Transport Information

Not classified as dangerous for all forms of transport.

15 Regulatory Information

Not classified under EEC Labelling Directive (SI 1994 No 324)
